

# DID YOU KNOW?

## In Massachusetts:

70% of nursing home residents are dependent upon Medicaid for their quality care each year.

More than 30 nursing homes have closed in the past 2 years.

Medicaid residents in nursing homes are facing a \$362 million funding gap.

77,000 caregivers are employed by skilled nursing facilities.

Medicaid reimbursement is among the worst in the Nation.

Each Medicaid resident is underfunded by an average of \$38.00 per day.

The Massachusetts Senior Coalition initiated the need for a ballot question in the 2020 Presidential Election. The coalition consists of a broad group of concerned citizens, residents, family members, and staff who care for our most vulnerable citizens. The ballot question seeks to establish adequate funding for residents of Massachusetts nursing homes.

Paid for and authorized by the Massachusetts Senior Coalition.
